Location

This property is located on the top of a hill, overlooking the Bay of Naples. It is surrounded by olive and lemon groves, typical plants of this region. Although it is located in a quiet area, it is only 2 km away from Sorrento's city center, this would be a pleasant 10 minute walk.

Restaurant

Very spacious and bright, elegantly furnished. It is also used for wedding parties. Predominant colours are white and pale cream. Emerald floor gives the impression that it is made of wood. There is the possibility to have meals on the terrace, too. Charming and cozy

Exterior

White, 6-floor building style in the Mediterranean style with red windows and roof.

Lobby

Large, decorated in light grey-and-white marble, white painted walls. Carefully furnished in a classical style with a few wicker pieces. A wide marble staircase leads you to the upper floor. Soft light lamps and paintings give a charming touch. The huge lounge with many yellow sofas, white cushioned wicker chairs and coffee tables is very inviting. This wide space is charmingly divided into intimate corners with several arches & plants and flowers. Bar is an extension of the lobby area. The atmosphere and furnishing is the same as in the lobby. The clients can enjoy a view of the Gulf from every part of the hotel.
